

Amendments to the Claims:

Please amend the claims to read as follows:

1-15. (Cancelled)

16. (New) A pharmaceutical composition comprising a peptide HA3G76 consisting of Gly-Leu-Ala-Phe-Val-Leu-Arg-Gly-Lys-Ser-Leu-Tyr (SEQ ID NO:36).

17. (New) The pharmaceutical composition of Claim 16 wherein any individual amino acid within the peptide may be either a L- or D-amino acid.

18. (New) The pharmaceutical composition of Claim 16 further comprising a pharmaceutically acceptable carrier, diluent or excipient.

19. (New) The pharmaceutical composition of Claim 16 wherein each of the amino acids of the composition are D-amino acids.
